What you need to know about NCCARE360 (Speaker: Megan Lee Carlson)		
<p>NCCARE360 will function in two main ways:</p> <ol style="list-style-type: none"> Act as a statewide referral depository of community-based resources for providers that will connect Medicaid recipients to social determinants of health resources; Act as a bi-directional communication platform exchanging referrals between traditional healthcare providers (e.g., physicians) and non-traditional health providers (e.g., food insecurity, housing, transportation, etc.). <p>For more information please contact: Megan Lee Carlson, MPH megan@uniteus.com 919.901.5950</p>		

Next Meeting:
March 14th
Cardiovascular and Pulmonary Rehab
Topic: Priority areas and action teams
